- FSIP is a facility wherein an investor can opt to invest variable amount in open-ended equity schemes of Kotak Mutual Fund based on P/E (price-to-earnings ratio) level of Nifty. This facility allows investors to take advantage of market movements by investing **higher amounts as specified by the investor in FSIP Form** when the markets are low, and by investing a **Variable Amount** (within limit specified by the investor) when the markets are higher.
- Individual FSIP Enrolment Form should be filled for each FSIP registration.
- Calculation of FSIP Amount on each FSIP date will be based on the trailing Price to Earning Ratio (P/E) band of Nifty 50 Index on (T-10 day). If T-10th day is a non-business day, then valuation will be done on the previous business day i.e (T-11th day)
 - If the P/E ratio is greater than 15, then the specified **FSIP Installment amount** gets invested.
 - If the P/E ratio is lesser than or equal to 15, then
 - Then the specified max FSIP amount as mentioned by the investor in the application Form for PE level <=15 get invested.
 - OR
 - If max FSIP amount is not specified then the default amount which is 3 times the FSIP Installment Amount shall be considered.
- Investor at the time of registration will have an option to specify the amount to be invested at the PE level of <=15. The amount will have to be higher than the specified FSIP instalment amount for investment at PE level of >15. Incase the investor does not specify the amount for PE level of <=15, then the default amount (3 times the specified FSIP instalment amount for PE band <=15) shall be applicable.
- The first FSIP instalment will be processed as per the FSIP instalment amount specified by the investor at the time of enrolment and not on PE value of Nifty 50
- The process of FSIP has been explained below through an illustration titled 'Calculation of FSIP', using the default option
- Individual Enrolment Form should be filled for each FSIP registration.
- FSIP can be opted for "Any Day" i.e (Monday to Friday) for Weekly option and "Any Date" i.e. (1st to 30th/31st of a given month) for Monthly and Quarterly option.
- If FSIP end date is not mentioned/ incase of ambiguity the end date considered should be **Dec, 2099**.
- Once the FSIP has been stopped or discontinued for any reason, the same can be re-started only on receiving new request on FSIP Form from investor. Subsequently, a fresh FSIP registration shall be done.
- In respect of FSIP enrolments made in any of the existing open end schemes, the load structure prevalent at the time of enrolment shall be applicable to the investors during the tenure of the FSIP.
- If 4 consecutive installments fail, FSIP will be ceased.
- FSIP Facility will not be available if the folio/ Certificate is under Lien or marked "Frozen" on the advice of I.T authorities / regulatory authorities / Court or any other reason.
- (i) First SIP Installment : Your first SIP can be for any day of the month, however subject to the condition that, there shall be a minimum gap of 28 day between the first and the second SIP.
(ii) Second & subsequent SIP Installment : Your second and subsequent SIPs are available only on above specified dated of the month. You can choose only one of these dates for the purpose of SIP. In case the chosen date turns out to be a non-working day for the scheme, the SIP will be processed on the immediately following working day.
- All request for modification or deactivation of FSIP shall be subject to an advance notice of 30 (Thirty) business days. Investors can deactivate the facility by sending a written request to the Investor Service Centres.
